

PE spill platform 2 drums

F07F10

Product short description:

Robust PE spill platform, resistant to most chemicals. Large capacity, removable PE grating for easy cleaning. Units can be assembled with connectors (optional) to provide a larger working area. Possibility of connecting an access ramp (optional) to the platform by means of positioning fingers. Gentle slope for easy loading. Non-slip texture on the ramp and grating. Ideal for the use of steel or plastic drums.
