

# Narrow metal container / front opening

D02C40

## Product short description:

Fully galvanised with metal lid. Maximum load capacity of 500 kg. Designed for handling by forklift truck due to its shallow depth, goes through 80 cm doors in manual handling. Reinforced frame, hinge and drawbar allowing several containers to be assembled together and towed by forklift truck. Front opening facilitating manual waste handling. Emptying only by trunnion socket (no lifting comb).
