

Waste compactor for TITAN 20 L

T03C25

Product short description:

Waste collector with a patented hygienic compacting system that allows it to hold up to 3 times more waste than an ordinary waste bin of similar size. Its compacting system and foot pedal have been tested over 100,000 times and are designed to withstand repeated downward force. Equipped with a replaceable filter to prevent unpleasant odours. Handy lid for quick and easy bag changing. Also has a handle on the back for easy transport. Guaranteed for 10 years.
