

POUBELLE À PÉDALE RECYCLOKICK 3 X 34 L

T05E35

Product short description:

Sturdy and fire resistant pedal bin for professional use. High quality aluminium production with three liners and lid with silent closure. The wide stainless steel pedal is robust and HACCP compliant. The aluminium liners (3 x 34 L) are equipped with a bag clamping system so that the trash bag stays in place and can be changed easily. Wall spacers prevent the lid from touching the wall when it is open. Dutch sorting flow labels included. Labels in other languages are available upon request. ...
