

# EPS crusher (Expanded Polystyrene)

P03A30

## Product short description:

This model has been specially designed for shredding polystyrene packaging waste. This machine is particularly suitable for companies in the industrial and retail sector, but also for all activities generating large volumes of EPS waste. This shredder is perfectly suited to small or large structures due to its small size and high output. The waste is recovered in a 200 L plastic bag.- Simple and safe operation- Easy installation- Small size

## Product attributes:

## Product features:

Materials: Steel  
Width (mm): 910  
Profundidad (mm): 2120  
Height (mm): 1195

Weight (kg): 450  
Colour: Yellow / Grey
